CAREER EXPOSURE

Results-oriented and detail-driven Assistant Manager with over 12+ years of experience in electrical services and team management. Adept at overseeing the maintenance, troubleshooting, and repair of electrical systems while ensuring high-quality service standards. Strong background in managing service teams, coordinating schedules, and optimizing workflows to ensure timely delivery of services and client satisfaction. Proficient in electrical safety protocols, equipment diagnostics, and preventive maintenance strategies. Passionate about fostering a collaborative team environment and providing solutions that improve service efficiency and customer experience. Looking to leverage my expertise and leadership skills to drive operational excellence.
