RE: Senior Engineer-Electrical & Electronics,

Dear Director of Human Resources,

In my pursuit of new creative endeavours, I was excited to find the Senior Engineer-Electrical & Electronics opportunity with Srivaru Motors. As a progressive professional with 6+ of experience, I believe that I can bring valuable contributions to your team.

Identifying innovative approaches and improved solutions to business challenges both motivate and drive me. Observation, inspiration, and determination are my foundation for success. My philosophy is that introducing fresh perspectives and new techniques allow businesses to evolve and grow. Similar to Srivaru Motors, my goal is to remain on the cutting-edge of advancements.

Formerly in my Sr. Electrical Engineer role, my successes have stemmed from essential skills, including time-management and critical thinking. I have enhanced my time-management abilities and cultivated a reputation as a major contributor through planning and critical thinking. I am a collaborative team player who is always searching for opportunities to impart valuable insights. With these qualities, I am able to facilitate positive change and impacting outcomes.

For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.

Sincerely,

Jagan Prasath G
