Dear Hiring Manager,

I am writing to express my interest in the Homologation Engineer/Senior Engineer position at SRIVARU MOTORS PRIVATE LIMITED as advertised. With a proven track record in quality management and process optimization, I bring over 5 of experience driving excellence in manufacturing environments.

In my current role at Dynavac India Private Limited, I have honed my expertise in conducting rigorous quality control inspections, ensuring adherence to stringent standards, and implementing effective process improvements. My background includes proficiency in Root Cause Analysis (RCA), corrective actions, and the utilization of advanced instrumentation for precise measurements. I am adept at maintaining comprehensive documentation and collaborating cross-functionally to resolve quality-related issues promptly and efficiently.

Previously, as a Technical Officer at Titan Company Limited, I successfully managed team activities and ensured seamless production operations while overseeing quality control measures and optimizing processes. My experience spans across various domains including automotive and electronics, where I have consistently contributed to enhancing product integrity and compliance with industry regulations.

My educational background in Mechatronics Technology and Electronics and Communication, coupled with certifications in Business Communication, Presentation Skills, and 5S Internal Audit, have equipped me with a robust skill set to excel in quality engineering roles. I am proficient in ISO and IATF standards, PPAP documentation, and possess basic programming knowledge in C and Arduino.

I am particularly drawn to SRIVARU MOTORS PRIVATE LIMITED commitment to innovation and quality excellence. I am eager to bring my expertise in driving continuous improvement initiatives and ensuring superior product quality to your esteemed team.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with the goals of SRIVARU MOTORS PRIVATE LIMITED Please find attached my resume for your review.

Sincerely,

JILSON M S
