B.RAVISANKAR

**LGB Brothers Ltd – COIMBATORE/KARUR –ENGINEER-
1980-1983.**

After my DME worked some time locally near to my Home Town, Next I joined based on my 1 Month Trial period, I joined with L.G.Balakrishnan & Brothers Limited. They are one of the Biggest Industrial group in south and they had their own Network in India / Abroad.

In Coimbatore worked in service workshop of Automobile. We did repair of Auto / Cars (All Brand / All models)

Starting from underbody /Painting /washing/Electrical/Pump/chassis' /engines repair and service work done by us.

After 1 ½ year seeing my experience and knowledge promoted and transferred to their unit at Karur with more Responsibility.

Here I worked in R&D Department & production department of Bus Body Building unit, in which they are popular and market leader in south.

During my period we developed one more unit near Karur specially Vans.

Here above I have simplified my experience and in short provided the details on my Direct meeting with you can be explained in detail.

I can provide all my certificates or scanned copies on your request.

Herewith I confirm that the above given details and particulars are true and complete on date to the best of my knowledge and believe.

Thanks 🙏
